Omnibus Guidelines for All Arriving Overseas Filipinos and Foreign Nationals Regarding Quarantine and Testing Procedures

Further to Advisories No. 20 and 22, we wish to inform the public of the updates on the Omnibus Guidelines for the Quarantine and Testing Procedures for All Arriving Overseas Filipinos and Foreign Nationals during the COVID-19 Pandemic (MC No. 2020-0200) issued by the Philippine Department of Health.

- (1) Repatriated Overseas Filipinos (OFs) shall include OFWs, whether documented or undocumented; Non-OFWs include returning students, scholars, exchange visitors, diplomats, and tourists; and their dependents.
- (2) **Stringent Quarantine** shall refer to quarantine protocols imposed upon the following: (a) Sea-based OFs coming from a ship or vessel classified as high-risk by the DOH-Bureau of Quarantine (BOQ); (b) Land-based OFs and foreign nationals who are coming from a high-risk place of origin or lay-over; (c) Any individual OF or foreign national who has been assessed to have influenza-like signs and symptoms by a Quarantine Medical Officer (QMO) upon arrival at a port of entry. All OFs and foreign nationals classified for Stringent Quarantine shall be under the supervision of the BOQ for the duration of the 14-day quarantine period.
- (3) **Mandatory Quarantine** shall refer to quarantine protocols imposed upon all other OFs and foreign nationals who are not classified for Stringent Quarantine. All OFs and foreign nationals classified for Mandatory Quarantine shall be under the supervision of the Overseas Workers Welfare Administration (OWWA) and Philippine Coast Guard (PCG).
- (4) The One-Stop Shop for Testing at the Ninoy Aquino International Airport (NAIA) will implement the **QR Code** system in accomplishing the **Case Investigation Form (CIF)** for the RT-PCR Testing for COVID-19. All returning OFs are encouraged to register and fill out the electronic CIF (e-CIF) to secure their individual QR code prior to their scheduled arrival. The e-CIF can be accomplished at ecif.redcross.com.ph. Upon submission of the form, a QR Code will be issued, which can be saved in mobile phones or tablets, screenshots or by printing a copy of QR Code. The QR Code is presented upon health assessment for the RT-PCR Testing at the airport.
- (5) On quarantine accommodations, attached to this Advisory is an **updated list of quarantine facilities** for stringent quarantine and mandatory quarantine. The cost of quarantine accommodations shall be shouldered by the Overseas Workers Welfare Administration (OWWA) for land-based OFWs, and by the local manning agency and/or Maritime Industry Authority for sea-based OFWs. Non-OFWs who are returning to the Philippines will undergo quarantine in a government-approved facility of their choice and at their own expense.

The public is further advised to continuously monitor the websites of relevant Philippine agencies for updates on this matter.
